Great concepts for great outdoor entertaining

Alfresco Kitchens come in all shapes and sizes with a myriad of bespoke options, including: commercial barbecues, Teppanyaki plates, high powered cooktops, gas and wood fired pizza ovens, under bench ovens and refrigeration, waste management systems, dishwashers, beer kegs, ice cube machines, exhaust canopies and much more.

When it comes to finishes there are just as many choices, including: granite, Dekton, stone, stainless steel, glass, render and stone cladding finishes, the list goes on and on.

Working directly with clients as well as some of Perth's best architects and luxury home builders, Alfresco Kitchens brings attention to detail, technical expertise and extensive experience to deliver a fabulous and functional kitchen that will exceed your highest expectation.

The ultimate Alfresco Kitchen is not dependent on the features or the finishes, but one that is functional and enjoyed all year round.
